

LIMESTONE COAST LOCAL GOVERNMENT ASSOCIATION

ANNUAL REPORT 2020-21

WELCOME

2020/21 was a year that tested every aspect of our society as we responded to the challenge from the Covid-19 Pandemic. The pandemic is far from over and will continue to be a challenge for the world as we adapt to a new Covid-19 world norm.

For LCLGA the Pandemic meant flexibility in everything we did and innovation and agility in our program delivery during 2020/21.

I note that in 2020/21, there were over 400 South Australian, Victorian and Federal Government announcements on Covid-19. This demonstrates how rapidly our operating environment was changing and as a cross border community keeping track of these changes has been incredibly challenging.

Despite this challenge, LCLGA has successfully delivered the business plan.

We would like to extend a special thank you to those agencies that have partnered with us throughout 2020/21. Without your valuable contribution, advice, time and support, many of our projects would not go ahead, especially in the dynamic environment of the last twelve months. The South Australian Tourism Commission, Office for Recreation Sport and Racing, RDA Limestone Coast, Local Government Association of South Australia, Coastal Marine Board, State Government, the Victorian Cross Border Commissioner, the University of South Australia and the Australian Federal Government and finally our member Councils – your continued support is very much appreciated.

We acknowledge the tremendous efforts of Federal Member of Parliament Mr Tony Pasin MP and State Members Mr Troy Bell MP and Mr Nick McBride MP. Your assistance and support are not only valued but greatly appreciated.

On behalf of the Board, I would like to acknowledge the efforts of our dedicated staff over the past 12 months: Tony Wright, Michaela Bell, Tony Elletson, Biddie Shearing, Ali Auld, Sophie Bouchier, Mae Steele & Paul Manfrin.

The Annual Report includes an overview of the LCLGA's performance and what has been achieved in 2020/21.

I commend this years' Report to you and would like to acknowledge the continued support of the constituent council Mayors, elected members, Chief Executive Officers and Council staff.

Mayor Erika Vickery (OAM)

President LCLGA

KEY RESULT AREAS

The Strategic Plan identifies three key result areas to focus and support our why of collectively building stronger communities. They are building:

1. Sustainable Communities 2. Stronger Economy 3. Member Capability

1. Building Sustainable Communities

A sustainable community has resilience, leadership, a healthy environment, optimistic mindset, community well-being, connected and inclusive with built environments where we want to live and those others want to join.

Over the 2020/21 year, building sustainable communities in a rapidly changing COVID-19 environment within a local government environment was the focus.

OBJECTIVE	STRATEGY	OVERVIEW	KEY OUTCOMES
Our networks, members and stakeholders are connected and engaged	Engage with stakeholders	LGASA & SAROC	President of the LCLGA Mayor Erika Vickery and the LCLGA Executive Officer continue to attend SAROC meetings and have input into the many regional issues that are elevated to the LGASA Board for consideration.
		Regional Executive Officers	The Regional Executive Officers meet throughout the year to share information, coordinate regional activities and to support SAROC and LGASA.
		Green Triangle Freight Strategy	The GTFS is a reference group for the Vic and SA State Governments on the key freight issues that face the green triangle area. We are one of several stakeholders in this reference group.
		Local Members	As the peak Local Government body in the region, LCLGA continues to work closely with our local Members of Parliament, Federal Member for Barker Mr Tony Pasin, Member for Mount Gambier Mr Troy Bell, and Member for Mackillop Mr Nick McBride, and commends the work they do on behalf of our region. In addition to maintaining these close working relationships, we also maintain close contact with both the State and Federal Government and regularly meets with Ministers and senior agency staff on issues relevant to the Region.
		Key Stakeholders (SA Gov & Industry)	LCLGA continued to work with our key stakeholders on issues relevant to our members. Of note, due to the pandemic was an increased engagement with the Victorian Cross Border Commissioner with the Victorian State Government and Councils.
		Create a social media presence to share stories	The formation of the Lime Coast Tourism Industry Network was invaluable in sharing information with one of the most impacted sectors from Covid-19 during 2020/21.

Destination Development Program

The Limestone Coast Local Government Association (LCLGA) reshaped the regional tourism program into a broader Destination Development program to bring together regional branding and activities to grow the visitor economy and regional prosperity.

To assist in the delivery of this program, the LCLGA members increased their investment in the program to leverage our strategic partnership with the South Australian Tourism Commission (SATC) to securing additional funds. These funds were important as they helped deliver the Limestone Coast Recovery & Rebuilding Action Plan in response to the impact of Covid to support our regions tourism sector.

LIMESTONE COAST RECOVERY & REBUILDING ACTION PLAN (COVID19)

Strategic Goal: Provide a coordinated and comprehensive approach to rebuild our visitor economy in the Limestone Coast.

STRATEGIC CONTEXT
 Prior to the bushfires and Covid19, the Limestone Coast visitation and expenditure was strong and forecasting growth. The Limestone Coast had a good balance of visitation with Domestic & International, and the reasons for visits varied from Leisure, Visiting Friends & Relatives (VFR), Business or Corporate and Events including participation events. With so much diversity in tourism experiences across the region, there are many individual businesses, organisations and stakeholders who contribute to our Limestone Coast visitor economy which was valued at \$369m pa (year ending December 2019).

355,000 INTRASTATE	289,000 INTERSTATE	688,000 TOTAL VISITORS	762,000 DAY TRIPS	2,131,000 TOTAL NIGHTS	644,000 DOMESTIC	44,000 INTERNATIONAL
-----------------------	-----------------------	---------------------------	----------------------	---------------------------	---------------------	-------------------------

LIMESTONE COAST RECOVERY & REBUILDING ACTION PLAN (COVID19) 1

STRATEGIC THEMES FOR RECOVERY & REBUILDING

The Limestone Coast historically has enjoyed a healthy mix of visitation from Domestic and International markets. This mix will change in the short term, given some restrictions are lifting and some uncertainty about International travel. South Australia consumers spend \$3.3b per year on outbound travel, this is an opportunity to divert travel plans into regions. Tourism Australia with 6M who normally travel overseas each year there is a significant opportunity to capture this spend in regional communities.

Current indications, from government, reveal that there could be relaxing of some travel restrictions to allow intrastate travel. This would be followed by the opening of state borders in the Northern Territory and Western Australia most likely ahead of Victoria.

It is also anticipated that the first international travel will occur in a travel bubble with NZ before being extended to other countries that are considered low risk. This staged lifting of travel restrictions will require our planning and delivery to be flexible and nimble so it can be quickly adjusted to the changing market and government policy. With a built-up propensity to travel, it is reasonable to imagine that initially the types of travel will be day trips/intrastate, then interstate, followed by short haul international markets and finally long haul. Depending on the progress of states like Victoria and NSW in containing the virus it is also conceivable that Travel between SA and NZ could occur before some state Borders are opened.

Tourism Australia reports the optimistic markets of India, Germany and United Kingdom will some of the first to reach our shores, as opposed to pessimistic markets of Indonesia, Malaysia & Japan. Air access is going to be a critical link in the revival of travel. Some low-cost carrier's business model is based on volume and with social distancing measures on flights, this will limit volumes and therefore will affect the price to fly. Also, the business traveller will be less convinced to travel after the realisation that some meetings can occur online, doubled with higher priced flights, it may not be as viable to fly as often. This synopsis does position the Limestone Coast well as a self-drive destination - it may be the safest and most affordable option for some travellers.

The event sector (including business and conferences) was one of the first hit with restrictions and may well be one of the last to lift. This will require ongoing support and some innovative thinking to keep the large volunteer base enthused, focused and ready to deliver when we can once again come together.

THE STRATEGIC THEMES FOR THIS ACTION PLAN

ECONOMIC SUSTAINABILITY
 Supporting our industry to recover and be ready to rebound when the time comes. Facilitating connections and capacity building activity and access to funding programs.

ADVOCACY + LEADERSHIP
 Articulating the regional position into other realms of government and advocating for the visitor economy

COMMUNICATION
 Comprehensive coordination of all communication platforms will assist the region to have stronger share of voice in what will be a very cluttered landscape as Australia and the globe emerges from restrictions.

EVENTS
 Assisting with event placement to avoid unnecessary clashes as restrictions lift and postponed events try to reschedule. Promotion of the events that are on across the region.

PLANNING
 Infrastructure and Major projects to be considered, prepared in readiness to enable business and the region to bounce back.

LIMESTONE COAST RECOVERY & REBUILDING ACTION PLAN (COVID19) 3

The Recovery & Rebuilding Action Plan outlined 34 actions under 5 key themes of Economic Sustainability, Advocacy & Leadership, Communication, Events and Planning.

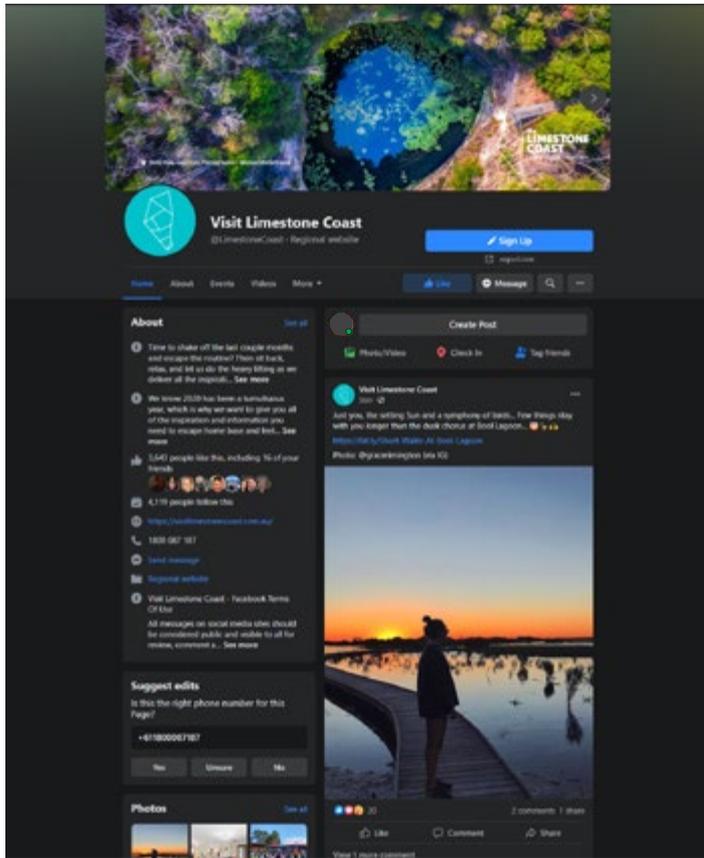

One of the critical actions was supporting the tourism industry to recover, be ready to rebound from Covid-19 restrictions and improve access to funding programs.

We also established a Closed Facebook Group called Limestone Coast Tourism Industry Network as a 2-way communication platform, with 432 businesses engaged as of 30th June 2021.

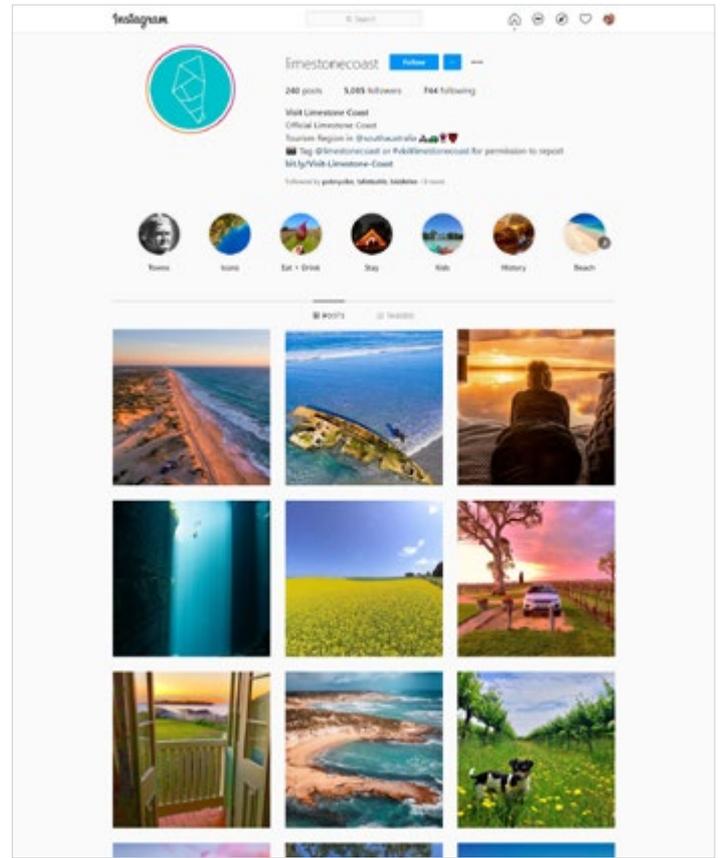

The Recovery & Rebuilding Action Plan was a bridging plan while the region developed a Destination Development Strategy. The new strategy was endorsed, ready to begin implementation in the FY 2021/22. However, due to the depth of the pandemic some actions were accelerated into 2020/21. These actions included improving our digital presence and storytelling.

DESTINATION DEVELOPMENT PROGRAM

The centrepiece to our digital infrastructure www.visitlimestonecoast.com.au was designed and built with a soft launch in June 2021. This included blogs, itineraries, and for the first time, the ability for consumers to 'sign-up' to our monthly e-newsletter - set to commence September 2021.

www.visitlimestonecoast.com.au

DESTINATION DEVELOPMENT PROGRAM

With the uplift in domestic tourism, specifically self-drive, the Limestone Coast welcomed an official Regional Visitors Guide for the first time since 2016 with 55,000 copies produced. This has been placed in over 100 Adelaide Metropolitan Hotels and car hire locations.

The Guide was a useful resource when the region attended the Adelaide Caravan & Camping Show in February 2021 to engage with potential visitors to visit. This presence was well supported by the Limestone Coast councils by providing members from their visitor servicing teams to help on the site. Attendance at the event was higher than previous years with 31,244 people.

The Limestone Coast continued to work with the Adelaide Convention Bureau to attract and secure business events to the region. We participated in a trade event called Connect SAFE which saw a higher level of enquiry due to our regional location and proximity to both Adelaide & Melbourne, along with our open spaces and natural attractions.

limestonecoastvisitorsguide.partica.online/limestone-coast-visitor-guide/limestone-coast-vg-2021/flipbook/FC/

As part of our strategic partnership with the SATC, the Destination Development Manager supported 8 applications in the Regional Events Fund. All 8 events received a level of funding to contribute towards their marketing efforts that could lead to increased visitation and expenditure in the region. This is the highest number of events that have been funded through this program since its inception.

While the international borders are closed, the region remained in contact with offshore agents (Wholesalers & Inbound Tour Operators) in a virtual capacity. This deliberate approach has positioned the region strongly for when the borders re-open. We also participated in virtual and face to face training for domestic travel agents. Events were facilitated by SATC or Tourism Australia (or both) including –

- › South Korea Agents – 166 agents
- › Australia Marketplace China, United Kingdom, Europe, North America – total of 160 appointments
- › Australia Tourism Exchange Live & Online – 211 appointments
- › Ocean to Outback – German Speaking Agents – 24 appointments
- › SATC Trade Webinars – 82 agents
- › Destination Australia – international market briefings.

The Limestone Coast continues to be a financial member of the Australian Tourism Export Council (ATEC) which enables the region to be viewed credibly when being represented internationally and domestically in the trade distribution system. The region also holds a position on the South Australian Branch Committee of ATEC, the Destination Development Manager, remains Chairperson which involves contributing to the national voice concerning inbound business and its sustainability.

Through this Association, the Limestone Coast participated in exclusive ATEC trade events that bring together the Inbound Tour Operators (ITO's), arguably the heart of the tourism supply chain and destinations and tourism operators. Events attended included -

The SATC's Tourism Industry Development Fund was embraced by Limestone Coast businesses, with over 60 businesses considering a submission with a known total investment in the pipeline of \$145m. While this created important stimulus for the region it also provided further opportunity for the destination development manager to engage and support industry. As 30th June 2021 the region has 8 successful applicants with an injection of \$744,865 into our economy.

The Destination Development Manager assisted with the acquittal for the \$450k Mixed Dozen Project which collaborated with 12 Funding Partners with a range of key outcomes and achievements included, but not limited to:

The pandemic and various internal domestic border closures have heightened the Limestone Coasts importance of cross-border collaboration. The LCLGA has broadened its cross-border formality with a Memorandum of Understanding in place with the Glenelg Shire Council in addition to the existing MoU with Wimmera Mallee Tourism. Extensive communication continues with Great Ocean Road Tourism & Southern Grampians Shire to complete the cross-border framework.

SUBSTANCE MISUSE LIMESTONE COAST

The work of SMLC is focused on research and evidence.

SMLC's origins are inspired by the work of the Western Region Alcohol and Drug Service and research by the Victorian Parliament's inquiry into the Supply and Use of Methamphetamines, and in their subsequent Ice Action Plan. While the issues and responses are complex, SMLC have focused on our objectives which match key elements of the Victorian Ice Action Plan and National and State Alcohol and Other Drug Strategies.

With 3-years funding from the Federal Department of Health, SMLC is progressing elements of these stages which are included in our objectives.

Objective: Supporting Limestone Coast schools embed evidence based AOD education into curriculum.

1. Climate Schools

Multiple school visits to 13 secondary schools in the Limestone Coast including non-government schools to promote Climate Schools as current best practice for secondary school Alcohol and other drug (AOD) education was undertaken during the onset of the COVID-19 pandemic. Climate Schools is a sustainable, evidence based, on-line learning program, with research showing delayed uptake for alcohol and cannabis making it suitable for all secondary students from years 7-10.

SMLC negotiated with the Matilda Centre for Research in Mental Health and Substance Use, University of Sydney, to reduce the cost of Climate Schools from \$900 to \$250 per annum to make the program accessible and potentially more appealing for smaller Limestone Coast Schools. In recognition of homeschooling during the Covid-19 Pandemic, Climate Schools is free for all secondary schools. This was widely promoted to all schools as the program is also suitable for teachers to manage via distance and at-home learning.

Eight secondary schools are registered to access Climate Schools, and the Mount Gambier Community Library has a current registration to enable Agencies who house, and case manage young people who are not attending schools, access to the program.

Approximately 426 Limestone Coast students have accessed Climate Schools.

SUBSTANCE MISUSE LIMESTONE COAST

Substance use and mental health issues are the leading cause of burden of disease for young people, causing incredible morbidity, behavioural problems, mental illness, loss of income to self and global economy. Mental illness and substance use disorders begin in adolescence & early adulthood 15-24 years and the delays to seek treatment is incredibly long with the median delay to seek treatment being 18 years for alcohol treatment (Gore et.al. 2011).

Climate Schools aims to change and strengthen the school climate around AOD education, and the modules provide curriculum-consistent health education courses proved to reduce harm and improve student well-being.

2. Planet Youth

The Australian Planet Youth trial in the Limestone Coast:

Aligned with SMLC's proactive stance on school education, the Alcohol and Drug Foundation (ADF) asked SMLC to coordinate the Planet Youth trial in the Limestone Coast starting with two Councils and four secondary schools. In 2019, the Limestone Coast became one of 5 Australian sites asked to be part of the Planet Youth trial. Planet Youth is an international evidence-based model to reduce risk factors and increase protective factors to reduce the incidence of AOD use in young people.

Data about local AOD use was collected during the Planet Youth school survey and used to promote Climate Schools as best practice for evidence based AOD school education.

SMLC has successfully advocated that every Government secondary school (12), in the Limestone Coast be included in the second round of the Planet Youth school survey and data collection in 2021.

ALCOHOL

The Planet Youth survey showed us that **29% of our children have tried alcohol by the time they turn thirteen.**

As your child gets older, they will become more and more curious about alcohol as well as other drugs. The evidence is clear that the best thing we can do as parents is to delay and deter any alcohol use for as long as possible. Use of alcohol during adolescence can impair brain development and will increase the chances of developing a dependence later in life.

Nearly a third of young people reported that they drink alcohol at the home of others, and 23% stated they drink alcohol at home. **There is no evidence to support the view that parental supply of alcohol protects our children from adverse drinking outcomes.**

By agreeing as parents collectively, to not give any alcohol to adolescents in our homes we can make a positive difference to the long-term health and wellbeing of our young people.

11% drunk in the last month

29% drunk in their lifetime

GO TO SLEEP GUIDELINES

The Planet Youth survey showed that about half of our young people are not getting enough sleep.

Sleep is just as important to your child's development and well-being as nutrition and physical activity. It is recommended that teenagers get a minimum of 9-11 hours of undisturbed sleep per night.

For example, a year 7 that gets out of bed at 7:00am should be asleep by 9:00pm in order to get their 10 hours of sleep. Visit www.sleephealthfoundation.org.au

The suggested guidelines for sleep times are:

YEAR 7	09:00 _{PM}
YEAR 8	09:30 _{PM}
YEAR 9	09:45 _{PM}
YEAR 10	10:00 _{PM}
YEAR 11	10:15 _{PM}
YEAR 12	10:45 _{PM}

Examples of Parent Guidelines inclusions.

Objective: To Build community awareness of addiction issues / Website / LinkedIn.

1. Agency Survey

The pandemic has significantly changed the landscape for access and service provision in the AOD and all other sectors with SMLC recognising the need for region specific evidence to inform future actions.

With input from numerous agencies across the region SMLC designed a survey that was sent to government, non-government and private agencies across the Limestone Coast region gave us targeted insight to gain an informed understanding of where the current issues lie and what the future needs are for our community. SMLC is using the information from the 26 responding agencies to ensure drug and alcohol related issues in the region are accurately represented and is informing SMLC’s planning for education, prevention, and harm reduction strategies.

SUBSTANCE MISUSE LIMESTONE COAST

The Impact of COVID-19 survey final report has been disseminated to all agencies in Limestone Coast Network meetings, LCLGA President Erika Vickery and Executive Officer Tony Wright, and a media release with the key findings was sent to all major media outlets.

Community education and awareness

Covid-19 limited SMLC's ability for community education forums and we adapted our strategies to educate and inform. SMLC has focussed on the rise of alcohol use at home during the pandemic. With more people working from home and reduced social gatherings, the "Time for Change" campaign focussed on how small increases in alcohol use at home can quickly become a new habit.

SMLC digital platforms for education and awareness

The importance of online resources was underscored during the pandemic and SMLC created a website to increase community awareness and provide information on alcohol and other drug issues.

The SMLC website www.smlc.org.au includes:

- > Services page Links to Limestone Coast & National services.
- > About Us Detailed information on Staff and Advisory Board.
- > Program page Highlights current programs SMLC is coordinating.
- > Campaign page Highlights community education, past and current.
- > Media page All media releases since 2019.

SMLC's LinkedIn page is at the following link:

www.linkedin.com/company/substance-misuse-limestone-coast/

Objective: Establish Community Partnerships

SMLC is a member of and regularly meets with the following National, State and Local networks:

- > Alcohol and Drug Foundation - Community Advisory Council (Chair)
- > Millicent Social Issues Team
- > Naracoorte Community Services Round Table
- > Limestone Coast Family Violence Action Group

- > Limestone Coast Drug Action Team
- > Aboriginal Community Connect – Advisory Reference Group
- > Planet Youth South Australia
- > South Australia Network of Drug & Alcohol Services
- > Australian Professional Society on Alcohol and other Drugs
- > Mount Gambier Suicide Prevention Network

SMLC has positioned itself as an advocacy and point of focus for AOD issues across the region providing a strategic longer term evidence based perspective to action. We have a growing national and international presence and will continue to advocate for the region at regional, state and national forums.

Additionally, the Alcohol & Drug Foundation have highlighted SMLC's Project Officer, Sophie Bouchier in their story for International Women's Day, which they featured on their Website and LinkedIn posts;

Limestone Coast Regional Sporting Academy

In partnership with the Office for Recreation, Sport and Racing and the LCLGA, the Limestone Coast Regional Sporting Academy (LCRSA) inducted its first Inductees in October 2017 and commenced working with these Athletes in November, as part of a Pilot Program.

In June 2020 the LCLGA were successful in meeting certain requirements from the ORSR and obtained another \$70,000 to run the program for another 12 months. Once again the LCLGA partnered with the ORSR and the fourth year of the LCRSA was launched in October 2020. We were pleased to welcome back Hockey SA, Tennis SA, SASI Cycling and Athletics SA as official partners of the Academy, and were able to offer skill-based sessions for athletes in these sports and coaching development for local coaches as well. We were also excited to welcome two new sports to the program, Swimming and Basketball thanks to new partnerships formed with Swimming SA and the Mount Gambier Pioneers. We also continued to offer a Lonestar program for athletes from any sporting background.

We inducted 91 athletes into the Academy for the 2020/21 iteration. This was a rise of 19 from 2019/20

These athletes are provided with a 12-month Gym membership, a 12-month Elite Athlete Strength and Conditioning Program (2 sessions a week at the gym and an at home program), Coaching, Educational Sessions (Sports Psychology, Media Training, Coping with Pressure, Sporting Routines and Sports Nutrition), and High level testing at the University of SA's High Performance Centre in Adelaide. We are also able to live stream our Education sessions to athletes across the region who are unable to attend due to travel.

The program has given the athletes the chance to understand the training and preparation requirements to become an elite athlete, as well as improve their performances at school as well as on the field or track.

We also continued our partnership with Uni SA, who provide us with the venue for our Education sessions and Testing. The LCRSA is extremely pleased to also be supported by the M & G Hotel Group, who have provided us with 30 nights of free accommodation for athletes and families, as well as a reduced rate for athletes and families on an ongoing basis. We also welcomed the Commodore on the Park as a partner this year. The Commodore on the Park provide our visiting coaches and Educators with accommodation when they visit the region.

The LCRSA has four main objectives:

- To identify regional sporting talent
- To educate and develop youth in the region
- To provide pathways to State and national representation
- To develop the skills of regional coaches

Outside of these four main sporting objectives, our key goal is to help young people become leaders in our communities.

The LCRSA athletes have done the Academy and our region extremely proud, competing at State and National levels in the past year. We have had two past Academy Alumni play for Glenelg in the SANFLW League Premiership side. One of these athletes was successful in being drafted by the Adelaide Crows and will begin training with them for the 2022 season soon.

We had an athlete win the 200m race at the Stawell Gift. Also one of our cyclists finished 3rd at the State titles after taking up the sport only 12 months ago. Our swimming athletes swam 88 personal best times in one event, (State Shortcourse Championships), with only 8 swimmers in the program this is a remarkable effort and comes about thanks to the international standard of coaching we have been able to bring into the program.

There are plenty more success stories that can be seen on our Facebook page. All of our athletes have been great ambassadors for the program. We look forward to continue supporting our current and future LCRSA athletes in the coming years.
